MOHAMED MAHROOS M

SOFTWARE DEVELOPMENT | INTERNSHIP SEEKER

B.TECH INFORMATION TECHNOLOGY · SRM VALLIAMMAI ENGINEERING COLLEGE

SUMMARY

Second-year B.Tech Information Technology student seeking a Software Development Internship. Built a multi-page Green Natural Website and developed foundational knowledge of Python, HTML, CSS and JavaScript. Interested in contributing to real-world development tasks, learning from experienced developers, and strengthening software engineering and problem-solving skills.

EXPERIENCE

Rahman Plaza, Chennai

Sales Representative

- Assisted customers with product enquiries and supported daily sales activities.
- Helped process orders and maintain customer records using digital platforms and internal systems.
- Communicated product information clearly and supported a positive customer experience.

Natural Herbals, Paramakudi
Sales Person

- Built customer relationships and supported customer retention through attentive service.
- Contributed to product sales and routine store operations.
- Received employee recognition for contribution to sales activities.

PROJECTS

Green Natural Website

- Created a multi-page website with Home, About, Contact and Product pages.
- Worked on website structure, page styling and interactive elements using HTML, CSS and JavaScript.
- Project repository: GitHub
